Welcome To Asprius Lifescience

We are a Professionally managed pharmaceutical company involved in medicine and healthcare operations. The company was started by a young and dynamic entrepreneur with a vision to aspire for the overall benefit of all. The promoters have a rich experience in the field of Gold, Diamond and other business ventures. Being the second generation entrepreneur, promoter is familiar with all intricacies of a business and is willing to do what it takes to make it big and sustainable in the field of medicine and healthcare. Started in the year 2011 as Astrum Genetica, the company found a true clarity and vision in the year 2016, after 5 years into this business and was reformed as Asprius Lifesciences - The Aspiring Venture for the benefit of all. After 2016, the company experienced tremendous growth with new innovations introduced and promoted extensively in different parts of India. These innovations helped our associates in differentiating themselves as a partner in promotion of innovation in their respective region and gain trust and confidence of healthcare professionals. Going forward, we aim to bring different innovations in market and make lives of the people around healthier. We believe brand promotion and patent innovation as our product specification to help us get desired results.
