Welcome to Associated BioPharma

Associated Biopharma (A division of Associated Biotech Group), which is one of India's fastest growing pharmaceutical company. After the great success of 13 years of pharma products provided to pan India, we have started our own PCD Pharma Franchise being Ethically promoted as Associated Biopharma. Being managed by our Managing Director, Mr. Sanjeev Goel, we have been able to cater to a huge clientele across the nation. Mr. Goel has experience of more than 25 years in pharma industry. He has excellent analytical skills, professionalism and entrepreneurial spirit to serve the best quality medicines with huge product range. He has risk taking attitude on the road of technology and knowledge driven industry. He is the sole authority and pillar

for smooth working of Associated Biopharma. Although we are providing the contract manufacturing through our own manufacturing state-of-the-art, unit with WHO-cGMP and ISO certified formulation facility at Baddi (India). We are known and well recognized for the best quality products launched and make in market. It is the leader in the pharma market in India and has exported its products since 2006 to various countries in each of the six continents of the world. The company has well equipped laboratories and a team of trained personnel to ensure compliance with very stringent international quality standards. Associated Biopharma is working on quality based products providing tablets, capsules, dry syrups, syrups, sachets and protein powder etc., and for continual product innovation. The most through research and development, the most careful selection of materials, the best manufacturing practices and the strictest quality control - all go into making products which are trusted by the millions of families using them. Associated Biopharma has its innovative products and dedication to proffer the finest service in the Pharmaceutical Industry. Its products and services are designed to protect the prestige for highest quality standards. We, now into PCD marketing for customized products, service satisfaction and orientation towards good health.

OUR MISSION:Our key focus is to meet the customers need with best quality and efficient pharma products and to provide equal access of healthcare services for better health.

OUR VISION:Our vision is to develop and deliver the best pharmaceutical products in highly competitive market with the base called “Quality” and to enhance and preserving good health through innovations.
