Welcome To Associated Biotech

Associated Biotech is now in its 16th year of successful operation since its foundation with a WHO GMP certification. We provide Third Party Manufacturing / Contract Manufacturing for domestic as well as export market. We are manufacturing products in categories – Cephalosporins, Non Beta Lactum, Beta Lactum and Nutraceuticals. We manufacture Tablets, Capsules and Dry Syrups and provide Ready To Fill Granules also. We are emerging now a group of companies by adding Herbal as well as Cosmetics products. Committed quality of finished products and packing material and that with minimum and assured delivery time makes us the reason for growing numbers of our associates. We have established the name as a brand with our quality commitments and we are glad to claim that we have more than 600 companies with us as satisfied clients and this number is increasing every day. These all clients are associated with us for Third party manufacturing of their own brands. Adhering to a Total Quality policy, we provide the best possible services to our associates and thus growing day by day with patronage of our satisfied client. Apart from domestic market, we are also exploring the global market by aggressive approach to export opportunities. International Standard products and packing with full range of data for acceptance of Dossiers in any country. Currently our Plant facilities are accepted by countries like Nigeria, DR Congo, Kenya, Ivory Coast. Product registrations are in process for countries like Myanmar, Cameroon, Togo, Niger, Mali, Chad etc. With strength of over 300 employees in production unit, we assure to provide the best kind of production and delivery services on time. Production team is well supported by experienced team of PPIC, QA, QC and Stores. Our Production unit is situated in Baddi (Himachal Pradesh) while our Corporate / Marketing Office is

situated in Panchkula (Haryana). For sales support, we have a good team of sales professionals well supported by Coordination Team, committed to respond your all queries in minimum time. We are always open for opportunities through associations with good and likeminded professionals for both Domestic as well as Export market.
