Welcome to Assurgen Pharma Pvt. Limited

Assurgen Pharma Pvt. Limited, an integrated pharmaceutical company, is continuously committed to excellence in developing and outsourcing APIs (Active Pharmaceutical Ingredients) and intermediaries. Assurgen Pharma, underpinned by a strong toe-hold of pharmaceutical business acumen and innovation, is well on its way to the market above.This insistence on the development of high-quality products should have been complemented by adherence to the strict international standards required to ensure the safety and efficacy of such products for patients across the world. Unique modern manufacturing facilities and strict compliance with and following cGMP guidelines assure the production of safe, reliable, and cost-effective pharmaceutical solutions. Towards its vision of being a global leader in the pharmaceutical industry, Assurgen Pharma continuously works on extending its outreach and partnerships. The company is committed to continuous research, development, and advancement of new technologies in the field. Its highly experienced team works the extra mile to deliver the best possible solutions according to changing trends in the healthcare sector. Thus, Assurgen Pharma's signature is on its quality and customer satisfaction and, as such, lays down the yardstick for its excellence in all other pursuits. This company seeks to extend the reach of essential drugs globally within health systems to enhance the affordability of health care. With constant innovation of its products, Assurgen Pharma is in constant readiness for uninterrupted growth and success in the global pharmaceutical arena.
