Welcome To Asta Organics

When it comes to bettering and improving health, there is no better solution than herbal health caring products. There are a variety of reasons that support why Nutraceuticals products are better, for which a few to name reasons are- enhancement of general well-being, no allergy, beneficial in the long run and no side effects. Supporting well-being of masses through quality production of herbal health healthcare products is Asta Organics. We have been serving as a reliable manufacturer and supplier since 2016. We are specialized in producing Digestive Enzyme Drops, Multivitamin Syrups, Health Caring Supplements, along with a host of many other Health products. The motto of our company being 'Creating of effective, pure and genuine Nutraceuticals & health caring products' has been attracting a lot of customers as we have been serving this motto very well. It takes a good amount of investment and a lot of time in manufacturing best quality products. Believing in the same, our company has been hugely investing in equipping the production unit with hi-tech machines, which makes qualitative production of herbal products in less time requiring. We have a sound facility in Rai Industrial Area, Sonipat, Haryana (India) for producing Nutraceuticals Products like Tablets, Capsules, Softgel Capsules, Syrups, Powders and other products. A team of 55 employees handles production, packaging and related tasks. Production in bulk helps us meet customers' demand for large quantity. At Asta Organics, we help masses achieve state of wellness through our Nutraceuticals Supplements health bettering solutions. There are many things that contribute hugely in making our health suffer like wrong eating habits, lack of exercise, stress, pollution, dust, and a lot more. But caring for masses to overcome what they have been going through, we have been making skin, health and body care

solutions.
