Welcome To Astabery Biosciences Pvt Ltd

ASTABERRY Biosciences (I) Pvt Ltd. is a venture from the house of BHIMSAINI, pioneer in the Kajal Industry & a leading manufacturer & marketer of Natural Ayurvedic Skincare, Healthcare & Eyecare products since 1950 catering to Indian as well as International Markets. Our aim is to provide best-quality organic cosmetics products to our customer at most affordable prices. Astaberry has, with its dedicated in-house R & D team comprising of experts in cosmetics, chemistry & product design, developed a complete range of skincare, haircare & personal care products. These products are enriched with the goodness of Ayurveda, the age old Indian science based on active natural ingredients, blended with modern formulation & individual fragrances.
