Welcome to Astam Healthcare Pvt. Ltd.

In today's day and age, little needs to be said about health and the significance of health care. The bad invaders have increased, and the good defenders have dwindled. So, health and well-being have become indispensable facets of modern-day living. At ASTAM HEALTH CARE, we value the rising need for quality health care services and dedicate our lives towards this unifying purpose. Our answers are fairly simple. We manufacture and export pharmaceutical drugs & products. We believe our capsules, tablets, and syrup concoctions can heal potent ailments and bring back good health to people. We offer sincere thanks to our team of researchers at our F&D. Keeping in mind the growing healthcare needs, our manufacturing has grown substantially over the past few years. We now adhere to CGMP conditions at par with the international regulations. The drugs we manufacture are anti-inflammatory, analgesic, anti-histamine, anti-pyretic & anti- anti-bacterial to name a few, with many more key pharma innovations in the pipeline. After the motivation that makes us who we are today and ASTAM HEALTH CARE thanks you for playing a part. In the pharmaceutical business since 2002, ASTAM HEALTH CARE is a private limited company promoted by Mr. Balram Garg. What gives us the defining edge is our youthful brigade of techno commercials with a solid experience of work behind them.
