Welcome to Aster Medicines Pvt. Ltd.

India has a prominent and rapidly growing presence in global pharmaceuticals. It is the largest provider of generic medicines globally. The Department of Pharmaceuticals aims to make the country a hub for end-to-end drug discovery under its 'Pharma Vision 2020'. The Government started to encourage the growth of drug manufacturing by Indian companies in the early 1960s, and with the Patents Act in 1970. 'Aster pharmaceutical' established in the year of 1982 by Late Mr. Raj kumar an enthusiastic entrepreneur. He started the company with the vision to meet the medical care need of the patients. Company understands the need of medical professionals for quality products and hence provides a wide range which suitably caters to this need. Now company is working with guidance of Mr. Rupesh Anand Successor of Late Mr. Raj Kumar.
