Welcome To Asterisk Laboratories(India)(P)Ltd.

Asterisk Laboratories India Private Limited has come into existence in the year 2007 with a sole aim to achieve remarkable growth in the industry. Our company is indulged in manufacturing, and trading of a wide array of Pharmaceutical Tablets, Pharmaceutical Capsules and Pharmaceutical Injections. Our products are formulated under hygienic condition by our qualified experts that are used in allopathic, ayurvedic and veterinary treatments. We do not make any compromise with quality; therefore, we have adopted strict quality parameters recommended by the industry. Also, we make safe and sound packaging of our entire gamut, in order to preserve or retain the original value of our products. The efforts we make are directed towards gratifying the customers' preferences efficiently. We make

transparent business dealings with clients and make ethical policies, which have enabled us earning the trust as well as the large support of the customers. Our company's entire operations are carried out under the able and astute guiding principles of Mr. Vinay K Chada (Vice President). He is a person, who has enabled us reaching towards the pinnacle of success and establishing a strong foothold in the industry with his sharp business, managerial qualities, farsightedness and years of experience in the respected domain.
