Welcome to ATRA Pharmaceuticals Ltd

ATRA Pharmaceuticals Ltd. is one of the fastest-growing Company in India. With 22+ years of professional pharmaceuticals experience behind us, we are a dynamic Pharmacy company in India, which offers a complete range of dosage form included Tablets, Capsules, Liquid Orals, Powders, Semi Solids, Probiotics& Herbals Formulations. They understand the quality of life and thereby producing the prime range of medicines by understanding that even the minutest mistake will create disturbance to the lives of the people. Utmost care by maintaining the quality standards is taken during the manufacturing of the medicines. ATRA Pharmaceuticals believes that energy, honesty, commitment to delivery and passion are the qualities needed to set the company apart from its competitors. As a pharmaceutical business, ATRA believes that the well-being of its employees is vital and ensures that the prevention and care for illnesses is a priority.
