Welcome to Aurio Pharma Laboratories

stablished in the year 1972, Aurio Pharma Laboratories today is a household name in the domain of quality, affordable medicines for all. Founded by Shri Ramlal Bhattacharya in Barisal, Bangladesh, Aurio today has successfully penetrated the Indian Subcontinent. The company's pioneer product GASSANOL formulated by our Founder, has been a well accepted brand in India for more than 50 years due to its unique combination which helps provide long term relief to patients suffering from Ulcer and Gastritis problem. Today Aurio boasts of 2 state of the art well equipped GMP Certified factories manufacturing Tablets (Non Beta Lactum), Capsules (Beta and Non Beta Lactum) and Oral Liquids.
