Welcome To Axonics Biotech

Axonics Biotech is one of the brands of Anurag Medical Agency and is an upcoming healthcare company engaged in pharmaceutical trade in Kanpur, Uttar Pradesh. This firm was established in 2022 and offers high-quality pharmaceutical products in India through trading, wholesaling, distribution and supply. There are many different injectable products available at this firm, including Ceftriaxone & Sulbactam, Cefoperazone & Sulbactam, Meropenem, Amikacin, Methylcobalamin, Iron Sucrose and Tranexamic Acid. There are many other pharmaceutical products available at this firm. The firm also offers services of PCD Pharma Franchise and Monopoly Pharma Franchise for distributors and pharmaceutical entrepreneurs offering them a vast range of products. Through offering quality products, competitive pricing, reliable supply and ethical policies, the firm aims to develop long-term associations with distributors, hospitals, pharmacies, healthcare practitioners and business associates.
