Welcome to Bajaj Nutraceuticals

Established in 2009, Bajaj Nutraceuticals is majorly manufacture Multivitamin tablets, Protein Powder, Syrup, Capsules, Soft gels, Sachets etc all under one roof. Bajaj Nutraceuticals is one of the nation's largest manufacturers and marketers of quality branded nutritional supplements sold to health and natural food stores. Nutraceuticals, a term combining the words “nutrition” and “pharmaceutical”, is a food or food product that provides health and medical benefits, including the prevention and treatment of disease. Such products may range from isolated nutrients, dietary supplements and specific diets to genetically engineered foods, Natural Extracts products, With recent breakthroughs in cellular-level Nutraceuticals agents, researchers, and medical practitioners are developing templates for integrating assessing and assessing information from clinical studies on complementary and alternative therapies into responsible medical practice Nutraceuticals are prepared from food derivatives and have demonstrated physiological benefits or reduced the risk of chronic disease, above and beyond their basic nutritional functions. Nutraceuticals are different from ordinary dietary supplement in that Nutraceuticals benefits can be substantiated with scientific facts in the prevention of chronic diseases such as cancer, heart disease and osteoporosis. Nutraceuticals are very effective, safe, and affordable as our recipes / formula of all our products are backed by extensive research by highly qualified academia. New food and Natural Extracts are continuously being researched and explored for new Nutraceuticals products for the benefit of humanity.
