Welcome to Base Pharmacy

An ambitious Young Turk & second generation entrepreneur and a group of highly committed professionals, together with a vision to become best Pharmaceutical Company in the Industry ventured into Pharmaceutical business. Today, Base Pharmacy (INDIA) is a prominent Contract Manufacturer and Exporter of Pharmaceutical products catering to various countries, having significant presence in emerging economies of Africa: Ghana, Nigeria, Kenya, Liberia and South-East Asia:Cambodia, Myanmar, Laos and Philippines. Our wide array of products include virtually all therapeutic classes such as Antibiotics and Anti-infective, Anti-inflammatory, Anti-arthritic, cardiovascular, Anti-diabetics, Anti-malarial, cough and cold remedies, multi-vitamins and minerals, Anxiolytics, Antihistamines, Analgesics, Antacids, Anti-flatulent, Erectile Dysfunction, Veterinary Drugs, Herbal Medicine and Herbal Cosmetics in form of Tablets, Capsules, Syrups, Dry Syrups, Ointments, Soft Gelatin Capsules, Skin Care Creams & Powders and Injection. We provide customized solution and able to give products with your specification, packaging and brand label. Ours is a client-centric organization and we strive hard to make sure that our customers receive only best quality products on time. We are well acclaimed in the markets we operate for our Branded Generic products among Buyers and Consumers as we do not mere export products but we devote valuable time understanding the market requirement and match it with our offerings.
