Welcome to Bellan Pharmaceuticals

“SINCERE APPROACH TO DEVELOP A HEALTHY,
CHERISHED, EVERLASTING HUMAN LIFE” aboutus1 On
1991, Shri. Dinesh P Vadhada, well-educated, skilled,
efficient, procured very good experience in production, earlier
he was a production manager in BAN labs Pvt. Ltd., now
Managing Partner of Bellan Pharmaceuticals initiated his
dream project at Por G.I.D.C, Vadodara- Dist. Gujarat and
introduced full range classical medicines to the market with
good Quality, good Finishing touch, attractive packing and
reasonable price. Later, on 2002, he shifted his plant to a well-
equipped, Schedule-T & GMP model plant at G.I.D.C,
Makarpura, Vadodara, Gujarat with addition of PATENT
DIVISION. Now we are having very good range of Classical

and Patent medicines and our plant is running very successfully with ISO 9001:2015 Certification. We use traditional & modern techniques in production of our reputed medicines, along with sincere adherence to the strict rules of AYURVEDA. The methods of production and quality level are never compromised for the sake of cost. We are providing genuine products at genuine prices. Our aim is to develop a healthy generation in coming future and spread out Ayurvedic messages and its benefits as world wide. Big thinking – Effective implementation – Attractive presentation – Reasonable price, along with Quality and Honesty. That's Bellan Pharmaceuticals.
