Welcome to Beloorbayir Biotech Limited

Beloor Bayir is a professionally managed company engaged in the manufacturing and marketing of select active pharmaceutical ingredients, nutraceutical ingredients, and botanical extracts. The group's manufacturing units are modern facilities manned by highly qualified professionals and accredited with certifications such as WHO cGMP, EU GMP, NSF, AYUSH, FSSAI, ISO 22000:2005, ISO 9001:2008, HALAL, and Kosher. We strive to provide our valuable clientele with the best product, evaluated against the toughest standards in the industry. Efficient operations ensure our competitiveness in the industry and provide value for money. The company has invested in being a leader in the nanotechnology area, and most of its future products will be based on this platform, which redefines dosage forms and bioavailability.
