Welcome To Benzon Remedies

Benzon Remedies provides an ethical and professional PCD Pharma franchise model to deliver the best healthcare services in India. We come with more than 20 years of experience in Pharma industry. We have been operating in Pune regions for 20 years through our sister organization “USG Labs Pvt Ltd”. We have recently moved into the PCD Franchise model and have aggressive plans to expand and increase the range of products. Our entire business operations are administered under the principles established by the company’s founders and the guidance of their professional team. We are a professionally managed pharmaceutical company with a wide range of products in many categories. We strive to build an organization with huge satisfied customer base across the country. We believe in building long-term relationships with our associates and practice good customer relationship management. We always work with the following high standards to deliver the most effective products for health. Marketing and promotion are essential aspects of any business. And to make our partners successful, we have a wide range of digital promotion activities.
