## Welcome to Bio Coral Pharma

We are on our way of becoming one of the leading PCD based pharma franchise company in India. Established in 2005, Bio Coral Pharma is a PCD model based pharma company. With their extensive experience in the pharmaceutical industry, they offer in depth knowledge and a sure shot success rate to their franchise. They've emerged as one of the key players in the pcd system, and continue to grow with time. Based out of Jhansi, India the company's values stay strong with their attempts to help people live healthier and happier.
