Welcome To Biomedica Remedies

Biomedica Remedies is a quite popular name among Indian Drug and Pharmaceutical Industries. Established in 1962, in Ludhiana, Biomedica Remedies has earned a respected name amongst Indian pharmaceutical manufacturers and exporters. From day one, the sole aim of the company has been to treat human body as a temple and provide quality drugs at affordable cost. We have faced many difficulties but there has not been a single day when we even thought about compromising with the quality of our products and that is the key to our success. We believes in manufacturing pharmaceutical products of international quality. We follow a set of strict guidelines which are at par with international standards and as we have said earlier there is absolutely no compromise with the quality. Biomedica Remedies manufactures a wide range of drugs and medicines such as Pharmaceutical Injections, Dry Powder Injections, Sterile Dry Injections, Veterinary Injections, Medicinal Eye Drops, Medicinal Ear Drops, Skin Ointments, Eye Ointments, Skin Creams and Lotions, Pharmaceutical Syrups, Dental Products etc. Each product is designed with utmost attention for a very specific need. Keeping people healthy is a public service in true sense and for the past Fifty two years, we are dedicating all our energies towards the better health of the people. Over the years, we have learned the expertise required for the business and Biomedica Remedies has established a name to be reckoned among hospitals, pharmacies, medial communities, and health organizations. We hope to continue doing noble work for eternity with the help of our honorable experts and pharmacists.
