Welcome To Bioniqe Healthcare

Bioniqe Healthcare is one of fast growing pharmaceutical Manufacturing company, committed to providing innovative, quality and affordable medicines for healthier life, We maintain the highest standards of quality; the products meet relevant pharmacopeial standards and statutory requirements. In addition, the company ensures that all the steps involved in design, development and manufacture of a product leads to the intended level of quality performance in the market. We are one of the leading third party manufacturers, suppliers and exporters of a variety of Pharmaceutical Medicines like Tablets, Capsules, Syrups, Dry syrup and Dry Injections, etc., which is applicable to cure various diseases. Distributing and manufacturing drugs, peaking with the manufacturing of 8000 million tablets, 150 million capsules, 10 million oral liquid and 6 million of beta lactum dry syrups, dry injections , we projected that the manufacturing of drugs would move to the country resulting in intense commodity price and profit deterioration. Thus, we formed our branded and technology division and have directed most of our Research and Development budget towards new branded product development since then.
