Welcome To Biorika Healthcare

Providing excellent healthcare to patients all over the country for 20 years, Biorika Healthcare has shown tremendous growth in the PCD Pharmaceutical Market. Since its establishment, the company has acknowledged the need of the Pharma market and is constantly innovating by expanding its product range to meet the needs of its customers. We, Biorika Healthcare ISO 9001-2008 certified company in India; introduced distinctive solutions backed by cutting-edge research and development and advanced production techniques. We offer PCD Pharma Franchise and Third –Party Manufacturing Services in India. We keep striving toward our goal of constantly collaborating with local and multinational organizations, providing people with affordable and high-quality healthcare solutions, and enabling them to live better lives. All the credit for our business's success goes to our vast product range, which is prepared at our finest manufacturing facilities with W.H.O. and G.M.P. standards and stringent quality regulations. We invest a lot in research and development, adhere strongly to professionalism & collaboration and follow the quality policy at every step of product production. Moreover, our workforce is focused on the company's mission and vision, and they work together with sectors to accomplish specific objectives. We are one of the most well-known Pharma Franchise Companies in Chandigarh. We're working hard to build a large franchise that promotes and supports an ample supply of life-saving medicines and products all over the world. We offer our business partners 100 % monopoly rights.
