Welcome to Biosearch Organics

With a mission to provide superb quality products to customers and achieve success through client satisfaction, Biosearch Organics (Ultra Mark Group of Company) has successfully acquired a prominent position in the global market. Established in the year 1996, the group offers a diversified range of products and is counted amongst the leading manufacturers and exporters in its domain. We are engaged in marketing of the products manufactured by our group companies. Our group is GMP ISO 9001:2015 certified, offering a wide variety of Pharmaceutical Products and Fast Moving Consumer Goods (FMCG). Backed by a strong management, dexterous workforce and advanced facilities, we continue to strengthen our hold over the market. Our products are worldwide and have huge demand owing to their unmatched quality. We offer a diversified range of products comprising Pharmaceutical Injections, Pharmaceutical Ointments, Pharmaceutical Tablets, Antibiotic, Central nervous, Cardiovascular, Nutrition, Skin, Musculo-skeleton, and many more. Under the guidance of our mentors Mr. Arshad Hussain and Mr. Sajad Hussain, we have acquired a wide clientele that continues to expand further.
