Welcome To Biosync Pharmaceuticals Pvt. Ltd.

Based in Chandigarh, Biosync Pharma is a leading Third Party Pharma Manufacturer, well known to provide custom-made and quality drug formulations. We are an ISO certified company engaged in manufacturing, supplying, trading and marketing of pharmaceuticals products. Over 600+ products are produced that include pharma tablets, capsules, softgels capsules, injectables, powders, liquid medicines etc. Multiple drug segments are covered like cardiology, dermatology, antibiotics, neuropsychiatry, gastro range, ortho products, protein powders etc. The products are developed and manufactured under GMP and WHO. Internationally accepted standards are strictly followed to ensure that the medicines are qualitative, durable and effective. Our team includes professionals with years of experience. Every process maintains best QMS to ensure that each medicine provide maximum consumer satisfaction. Best raw material is extracted to ensure finer composition. They are developed in labs under expert care. It is our main objective to meet the rising demand of our customer who expect better and improved drug formulations. We constant introduce new drugs to our list. Our network is spread across India. Therefore, delivery of order is shorter than the expected time frame and within the stipulated time. Our units are constructed in a tax-benefit location. Thus, our pharma manufacturing services are affordable compared to others in market.
