Welcome to Biotechayur Pvt. Ltd.

Biotechayur Pvt. Ltd. is a biotechnology, biopharmaceutical and bio-based manufacturer of Ayurvedic, herbal, medicinal plant extracts and phytochemical products marketing, sale services with activities in Research and Development. Biotechayur is continuously working to establish itself as a pioneer in preparing new phytoceuticals. Biotechayur will conduct the pre-clinical and clinical trials for the safety and efficacy of various nutritional herbal and ayurvedic products. Extraction and isolation of identified valuable phytochemicals from various herbs will create ample opportunities for the medicinal herb (organic farming) farmers of Balasore district, Odisha and also for the farmers from other regions of India. Biotechayur Pvt Ltd will create an economical benefit for the state of Odisha by earning foreign currency from export.
