### Welcome To Bioworld Pharma

Bioworld Pharma is now poised to take a leap in to many other segments. Our company is an ISO 9001:2015 Certified and have WHO:GMP approved molecules. Our global mission is to innovate for success. Our Team Every individual in our family has a right to a healthy life. Managed by professionals and with single mission of success for all, the head of the family has established the image of being supportive to each one. Bioworld Pharma has travelled this noble cause in to a successful mission by introducing specialized products. Our many brands have already made their mark in various therapeutic segments, with the introduction of latest Psychiatry range. We have done the basic research and committed to introduce the new

molecules for better clinical efficacy. Bioworld Pharma has emerged as a leader in the haematinic segment. Our entire liquid range is modified with the international standards in formulation and taste for the benefits to patients.
