Welcome To Blue Cross Laboratories Private Limited

Blue Cross was founded in 1980. It is one of the leading research-based pharmaceutical companies in India with over three decades of experience in providing healthcare products to people across the globe with the aim of improving human life. It's name today is synonymous with top quality healthcare products. We discover, develop and deliver a wide range of innovative and highly advanced pharmaceutical products covering major therapeutic segments like Antibacterials, Pain Management, Antispasmodics, Cough & Cold Preparations, Cardiology, Diabetology, Dermatologicals, Anti-ulcerants, Antipyretics etc. in different dosage forms at Affordable cost. State-of-the-art Manufacturing Facilities It has state-of-the-art manufacturing plants at Nashik and Goa

in India. These plants are modern and well equipped with spacious operational areas having adequate capacities for manufacturing world-class pharmaceutical products. It's plants are approved by F.D.A., W.H.O and many overseas countries for compliances with current G.M.P requirements. BLUE CROSS has been bestowed with several Quality Excellence Awards for both the manufacturing plants. World-class Quality Assurance System It's aim is to achieve world-class quality standards for all it's products.
