Welcome to BLUE WAVE HEALTH CARE

Blue Wave Health Care (BWHC) established in the year of 2015 by a team of Professionals in the field of Aquaculture, poultry, Veterinary, Pharmacology, and Pathology. We are in BWHC preparing for change before change beckons. Harnessing the power of innovative research. Providing high-quality medicines for a healthier Animal kingdom. Prime objective of the company is produce result orientated; need based and cost effective products to the world animal Health care. We are having in-house R&D for continuous research on recent problems i with the support of eminent scientists from National and International Research Organizations. We have been studying site specifying problems and producing site-specific products. Today Blue Wave Health Care is distinguished by a strong and growing presence in the Indian livestock markets, exporting its products to Asia pacific region by a team of dedicated technical sales officers. The Company has its headquarters and Manufacturing plants in Vijayawada, the business capital of Andhra Pradesh, India and has technical and marketing professionals in all potential areas worldwide.
