Welcome To Bombay Labs

We are manufactures and marketers of Ayurvedic Medicine for human services through researches in field of Ayurvedic with modern techniques of quality control and production. The fact is well known even to common, illiterate and rural community that Ayurvedic Medicines are totally safe and effective with no or least side effects to human body. Itis so called Ayurvedic means the " Science of Life" . Ayurveda is ancient Ind ian system of "Treat and Cure" originated more then 10,000 years ago i.e. the oldest system of treatment.We are manufacturing Ayurvedic Medicines with our R and D, as well as under strictly guidance of experts of the field.IngredientslikeJadi Buti are selected and stored very carefully to protect the loss of their natural quality. Green and fresh herbs, leaves fruits like- Guduchi (Giloy), Tulsi leaves, Adusa leaves, Lisodha leaves, Alovera, Pudina, leaves, Swet durba, Rose flowers, Gurhal flowers, Bans karil, Jimi kand, Apple, Orange, Mussami, Grapes, Amla etc are collected according requirement of manufacturing batch, as fresh as possible. This is the only reason that our products are more effective and stable. Other raw materials like Dry extracts, Kshar, Ami, Satwa, Bhasms are purchased by reliable, manufactures with Lab test report. Each and every batch iscarefully checked and tested in our well equipped Laboratory by our experts Lab Technicians.We are manufacturers of Syrup, Capsu les, Oils, Powders, Ointments etc. in separate sections in hygienic environment. Capsule manufacturing section is equipped by A.C. and capsule filling, Blister sealing machine, Powder section contains micro pulverizer machine. Small packing of powder like Beteen, Notex, Mulayam Churn, Laxone etc. are packed by automatic pouch packing machine. Not only in quality we are much carefull for attracting packing for our products. Croton label wrapper are printed in

latest style & design. We also prefer PVC bottles for liquid toprevent breakages and easy transportation.Bombay Labs came in existance in 1986 with drug manufacturing licence No.-A-1368.86 with approval of only 5 items i syrup group. We are very much thankful to many practitioners in various part of India, by cooperation and blessing of whom the quality and efficacy of our product was positively accepted response in products and demand in market- encouraged us to increase the list of products and production. We started to manufacturing capsules, oils, ointments, powder etc. Now our product list is about 60 plus which are being marketed through out India.
