Welcome To BSA Pharma Inc.

BSA Pharma Inc. is an Ambala (Haryana) based pharmaceutical company that started its journey in 2002. The well-known Pharma company is managed by Mr. Mukesh Abbott (Director) who is a true visionary and has rich industry expertise. Our Infrastructure: We rely upon our state-of-the-art infrastructure for the manufacturing medicines. Spread over a large area, this manufacturing facility is divided into different departments for a smooth work flow. We have all the machines for testing, production and quality assurance of the medicines. We have SG Biosciences as our other manufacturing division consisting of large number of products. Our People: We believe that employees are the core strength of an organization. Keeping this in mind, we have hired a team of professionals irrespective of their race, cast and creed. Our team works dedicatedly to serve the clients efficiently. Our team includes chemists, quality auditors, supervisors and skilled workers.
