Welcome to CALCUTTA PERFUMERY

There is no denying the fact that fragrance is no longer just an intimate affair. Today, we do not just spritz fragrances on our body or hair. Nowadays, we need everything, be it phenyl, detergent or disinfectant to arrive in soothing fragrances. For the ones agreeing with this notion, Calcutta Perfumery Co., is here to support. The company is unfailingly acing in the domain by meeting customers needs for exceptionally manufactured fragrances. Our company provides customers with many flowery and rejuvenating fragrances that can be utilized for innumerable applications.
