Welcome To Camlay Herbal & Cosmetics

People of all age groups admire the bars and other cosmetic products that are seen in the advertisements, often times unaware of the fact that these contain long list of chemicals infused in them. However, Camlay Herbal & Cosmetics has been striving day and night to spread awareness among people by underlining with its range the perks of using herbal products. To help people, we began our business voyage as a manufacturer of Hotel Guest Soap, Dev Shree Aloe Bath Soap, Antiseptic Bath Soap, Herbal Syrup and many more of unparalleled quality. Enriched with herbal ingredients, the products we offer are sold under the brand names, Dev Shree. The employees of our company work with passion and zeal to ensure our customers never face any harm due to our products. Therefore, they keep a close eye over the quality standards of our impeccable range of soaps and syrups. We are a company of our words. And for this reason, customers from across the nation related to hotel business, restaurant business, or any retail business associate with us. Although it is majorly because of our quality assured line of products including Dev Shree Lime Bath Soap, Toiletries Kit, etc., but this is not the sole reason. Our products are definitely high on quality, but never on prices. Each of the products that we offer are produced using modern production techniques that help us reducing production and sales cost. Therefore, our highly competitive price structure always attracts the customers.
