Welcome To Cansun Medcare (A Division of Sunvet Pharma Private Limited)

Being a part of an industry which is responsible for the wellbeing of the society, we, Cansun Medcare have always performed like a responsible contender. We are counted as a prominent manufacturer of Pharmaceutical Injection Dry powder Liquid Injections for Humans & Veterinary use , falling under the category of Beta Lactam Dry Powder Injection, General Range Injection, Hormonal Injection and covering a wide range for Veterinary Injections. Since the time we emerged as a player in the Pharmaceutical industry, we have maintained high standards of production of various items which enable us to achieve ISO 9001:2008, GMP & GLP certifications. By supplying an exceptional range of medicines, we have attracted numerous clients as well as today we are serving numerous major medical institutes and hospitals all across the nation. We are thankful to our team of experts who is responsible for the success we have achieved till date. Moreover, we make a promise to each customer who gives us the chance to show them our potential that we will be consistently giving them reasons to choose us. We aim to give our contribution to the medical industry through the best way possible. We believe that quality is never an accident but an outcome of sincere efforts, hard work, high intention, smooth execution and most importantly smart choices of various alternatives. Our organization is situated on the road side of Kala Amb to Nahan village which is in upper Moginand in

a pollution free zone. The West, North and South sides of our infrastructure are surrounded by beautiful hills where several non-pollution industries are operating. Established in the year 2007, We offers 1. THIRD PARTY MANUFACTURING OF PHARMACEUTICAL INJECTION FOR HUMAN & VETERINARY USE. 2. PCD FRANCHISE OF INJECTABLE PRODUCTS FULLY ON MONON POLY BASIS RIGHT (Covering the range of Beta Lactam Antibiotic, General & Hormonal). 3. VETERINAY INJECTION IN PCD FRANCHISE & IN THIRD PARTY MANUFACTRING we are amongst the fastest growing manufacturing company of Injectable used for the treatment of humans as well as animals.
