Welcome to CAREWIN PHARMACEUTICAL PVT. LTD.

Intensifying from a humble startup before 23 successful years, Carewin Pharmaceutical is today a renowned supplier of pharmaceutical formulations across the world. Idealized by a visionary leader by Mr.Dhiren Patel and Mr.Ashish Shah, Carewin today specializes in the manufacturing of Injections & Eye Drops under the parental division of pharmacy. Carewin manufactures and distributes anti-acidic, anti-biotic, anti-allergic, anti-poisoning, anti-emetic, anti-malarial, pain killer and other injections. We have a resilient presence across India. We also export our products in Africa, Russian blocks, Latin America, South East Asia and the like.
