Welcome to Chortle Healthcare

Chortle Healthcare is a reputable third-party manufacturing company located in Ambala Cantt, Haryana, whose focus is on delivering premium medical care and wellness solutions. Our company is widely recognised for its innovation, dependability, and customer-oriented approach in the Nutraceutical, Herbal, Derma, and Cosmetic product segments. Chortle Healthcare, being a WHO-GMP and ISO-certified organisation, invokes stringent global quality norms at all the production stages. Our first-class manufacturing unit uses the latest technologies, has capable persons, and strong quality control systems, and thus, consistency, safety, and efficacy are assured in all the products we supply. We are the experts in providing adaptable and large-scale contract manufacturing and private labelling services to the pharmaceutical companies, new businesses, and healthcare brands throughout India. The products that we offer are quite diverse and include tablets, capsules, syrups, powders, herbal formulations, skincare products, and cosmetic solutions—all designed to be in sync with the ever-changing market and consumer needs. The aim of Chortle Healthcare is to empower brands by offering top-tier manufacturing support while ensuring transparency, ethical practices, and punctual delivery. The company is committed to excellence and ongoing development and therefore aspires to be the most reliable manufacturing partner for the healthcare industry.
