Welcome to Ciba Labs Private Limited

Ciba Labs Private Limited is an up-and-coming model of growth in the world of pharmaceutical companies. They understand their responsibility to provide the best possible products at a price that will not break the bank, and have continued to do so with superior quality, reliability, and affordability. They offer tremendous opportunities through their pharma franchise company model and have established a reputable position in several therapeutic areas (i.e., antibiotics, liver care/pain management, respiratory care, skin care/generic wellness). Ciba Labs focuses on delivering high-quality formulations that meet or exceed industry specifications and expectations. The company markets a wide range of pharmaceutical products, including tablets, capsules, syrups, injections/ointments, and dry syrups, along with attractive packaging at competitive pricing. Ethical business practices, timely delivery, and customer satisfaction have earned a well-respected name and reputation for Ciba Labs within the pharmaceutical industry. Additionally, the marketing support they provide to their franchise partners helps them operate with monopoly rights as well as access to promotional materials.
