Welcome to Cledral Life Sciences

Cledral Life Sciences is devoted to the manufacture and development of the most modern pharmaceutical products that aim to change the face of healthcare through innovation and a commitment to excellence. We have a group of experts who are committed to developing new treatments for a myriad of chronic and acute conditions, with a specific focus on the art of personalized medicine meeting the individual needs of each and every patient. Our continuous endeavor is aimed at taking the most promising products in terms of quality and efficacy from the laboratory to the market. Our product range includes all forms of medicines, comprising capsules, injectables, syrups, ointments, etc., that cater to a variety of therapeutic areas. The list of our manufacturing capabilities comprises products in gynecology, neurology, nephrology, ophthalmology, and dermatology. We specialize in respiratory and anti-allergic, gastrointestinal, cardiovascular, and anti-diabetes medications. Our urology expertise also extends to supplements and immunoboosters to help general health and well-being. Teaching our people to improve medical science for patient outcomes in a continued pursuit by Cledral Life Sciences toward innovative healthcare solutions.
