Welcomet to Clover Health Care Pharma

Clover Health Care Pharma proudly presents, for the first time in India, the Sun Shine Vitamin D—Cloferol-D, Vitamin D3 2000 IU Tablet (Food Supplement). This is a first step towards making global products in the local market at an affordable price to the common man. Clover Health Care Pharma is a long cherished dream of a man who worked in the pharma industry across the country for the last 25 years. He is trying to create an economic explosion by fusing his vision and mission in favour of the common man.
