Welcome To CMG Biotech Private Limited

CMG Biotech Private Limited, began its journey in the year 2005, to provide world-class quality Pharmaceutical Medicines. Through the years, the New Delhi (India) based company has grown into a renowned manufacturer, exporter and importer of medicines for Cardiovascular Medicine, Anti Diabetic Medicine, Genitourinary Medicine, Nervous System Medicine, Musculoskeletal Disorder Medicine, Respiratory System Medicine and much more. Our company has diversified and expended its capabilities to offer wellness, critical care and health care products. All products are produced with utmost care with the belief that relief goes on for a happy life. After all Good Life is everything to bring happiness. Our offered medicines are procured from the leading names of the market, which hold vast expertise in this domain. Our vendors process all the medicines using finest quality ingredients and chemical compounds adhering to set FDA guidelines. Widely used in various hospitals and medical institutions, offered medicines are known for their accurate composition and purity. Since our inception, we have followed the strategy of proffering fine blend of quality and price.
