Welcome to Cosmas Pharmacls Limited

Cosmas Group of Companies was established in 1994 as a humble drug formulation unit at Ludhiana, the industrial hub of Punjab (India). Today, it has two companies dedicated to providing high quality pharmaceutical products under its hood. Cosmas is engaged in manufacturing and marketing Pharmaceutical and Health Care products. With a network of organized tie-ups for a wide array of close to 450 products, Cosmas is growing leaps and bounds today. Cosmas is known as a quality conscious and conscientious drug manufacturer of India and comes as an ideal partner for Contract Manufacturing of quality pharma products. The Cosmas Group of Companies has claimed new heights by

setting up its ultramodern USFDA, UK MHRA compliant (in the process of application) Drug Formulation blocks focusing on Cephalosporin & Oncology.
