Welcome To Creative Lab

Since inception in the year 2012, at Delhi (India), we, “Butter Tub Soap”, are the leading name engaged in manufacturing and supplying a comprehensive variety of Handmade soaps. (Glycerin base) Our company works with sheer dedication and passion to deliver a quality oriented range at client’s bathroom. Our capable team makes sure to offer skin friendly and affordable range of soaps to our esteemed clients in a way so that they trust us for the rest of life after using our product once. Moreover, these products are manufactured and designed using optimum quality pure vegetable glycerin base for all of our soaps. There are no detergents in the base, which tend to irritate your skin. Glycerin used in our soaps is a natural moisturizer to the skin. Our provided range of products is widely appreciated among our honored clients

for its features such as 100% glycerin usage, supreme quality oil, exotic smell and outstanding designs.
