## Welcome To Curatio

Established in 2005, Curatio in Latin means “healing”. Curatio has constantly been striving to offer effective solutions to the day-to-day challenges that dermatologists and cosmetologists encounter in their practice. Extensive market research and a state-of-the-art R&D are the tools we employ to bring out innovative and effective solutions for these challenges. Curatio, is one among the fastest growing dermatology companies in India, Sri Lanka, Philippines and Nepal. We offer solutions to plug therapy gaps in the areas of cosmetic and medical dermatology.
