Welcome to CYANO PHARMA

CYANO PHARMA company having expertise in all field of manufacturing& supply mainly Ferrous Sulphate& Folic Acid Tablets , ORS mainly & many others products. CyanoPharma (P) Ltd; supplies their products to Health Departments of all states and the Domestic market. We have Export our products for the last 27 years. A trusted supplier for all Indian state health departments, Cyano Pharma consistently meets the rigorous quality and compliance requirements of government healthcare programs. Apart from extending its wings nationally, the company farmed products abroad about 27 years ago to countries all over the world. This illustrates the hard-working efforts of the company to offer improved healthcare opportunities at global levels. Quality has been an important value of the company through its modern highly equipped manufacturing plants, adherence to Good Manufacturing Practices (GMP), and ensuring safe, effective, and dependable medicines.
