Welcome to D3Prime House

D3prime Private Limited is a Private Limited company incorporated on 06 May 2020. Its Corporate Identification Number is (CIN) U85100TG2020PTC140252 and its registration number is 140252. The Company is primarily involved in Human health commodities. At D3Prime, we are committed to providing good quality Healthcare Products whilst striving to improve accessibility and affordability of our products and services in order to keep people well at every age and every stage of life. In addition to being a company that aspires to live by our vision, we are equally committed to building a strong reputation of trust and positioning ourselves to be a highly competent service provider who is adept in providing a rewarding experience for people with varied and diverse medical challenges. We specialise in the Import, Export, Wholesale Distribution and Retail of medical products and equipment. Backed by a team of medical professionals, D3Prime aims to create a world without suffering. We believe in continuous improvement to how we conduct our business and looking at innovative ways to deliver our products through varied mode of delivery channels.
