Welcome to DAREEQ PHARMA

Dareeq Pharma is a leading pharmaceutical company that stands at the forefront of the healthcare industry, providing a wide range of high-quality medicines for both human and veterinary use. With a commitment to advancing healthcare and improving lives, Dareeq Pharma has earned a reputation for its innovative research, state-of-the-art manufacturing facilities, and dedication to excellence. For human medicine, Dareeq Pharma offers a diverse portfolio of prescription drugs that cover various therapeutic areas, including cardiology, oncology, neurology, gastroenterology, and more. In the veterinary sector, Dareeq Pharma remains equally dedicated to animal health and welfare. The quality of our products has been accepted and applauded by the Trade, Dairy, Government Hospitals & Institutions and the Veterinary Professionals. We are a team of able, qualified and experienced personnel who are committed and dedicated to deliver the highest possible levels of customer's satisfaction. Over the years our capabilities and performances have won the trust and confidence of a varied and strong client base.
