Dew Fine Laboratories (DFL), was founded in 1984 by the Late, Mr. Trimbakrao Wankhade along with Mr. Anna Marathe who was one of the pioneers of Nashik's Ayurved Seva Sangh also being their Chief of Production. We have been manufacturers of Ayurvedic Medicines since the past 30 years. Initially Dew Fine Laboratories had started with just 3 types of medicines and with more than almost 100 products later on. DFL has supplied to government institutions like the Zilla Parishad right from Gadchiroli to Thane. Our medicines have been proved to be very effective for our patients. We have had a dominance in the south Indian market especially in Kerala. Our medicines have proven to be very effective in the field of Diabetes and Joint pain. Now Mr. Abhijeet S Wankhade, a commerce graduate and an MBA in Marketing, with more than 5 years of work experience in marketing and sales, has taken over the operations with great future plans for the company's growth.
