Welcome To Dharmani Healthcare

DHARMANI HEALTHCARE was formed with a clear vision to bring Ayurveda to society in a contemporary form and to unravel the mystery behind the 5,000 year old system of Medicine. DHARMANI HEALTHCARE is a world renowned producer, supplier and exporter of the Ayurvedic medicines having its manufacturing unit in Gurgaon (Haryana), INDIA. From the past 6 decades, we have been dedicated to providing nature- based solutions for a healthy and holistic lifestyle. DHARMANI HEALTHCARE leverages the group's strong research capability to manufacture over 50 result oriented beauty care, body care and health care products. We treat health and beauty as two sides of the same coin. We have adopted production techniques which are able to maintain all the natural qualities of herbs. Quality extraction and separation technologies for isolation of active chemical constituents from plants have been developed and standardized by the company. With extensive R&D efforts and 'new & tested-in-lab products', the company does not deviate from the sacred knowledge but faithfully adheres to the timeless wisdom of this science. Product formulation and stringent evaluation tests are concluded on all products before they reach the patients. Our manufacturing unit is G.M.P. certified by the department of Ayurveda, Govt. of Haryana and is registered from K.V.I. commission, Govt. of INDIA. Quality is inbuilt in DHARMANI HEALTHCARE'S work culture at all levels: from product development, manufacturing, testing, product efficacy, marketing and distribution. Moreover, a spirit of dedication has instilled high quality norms and so DHARMANI HEALTHCARE has been amongst the first to develop standardization and a code of quality in production procedures. The company has literally redefined quality in all its product categories. Presently, the company makes numerous formulations, sold all over the country. A

competent & dedicated work force that is committed to deliver services with the highest levels of integrity is their major strength. Both marketing and sales operations are handled by well experienced professionals who are their major assets.
