Welcome to Disha Pharma

Our focus is always on finding the best people to work with. Our bar is high, but you look ready to take on the challenge. We cater to chemists, corporate hospitals, institutions and patients in India as per need and requirement, at their destination. Mission: "Dedication to the highest quality of customer service delivered with a sense of warmth, friendliness & human spirit." Vision: "We believe that through innovation today, we will find a way to address the challenges of tomorrow."
