Welcome To DM Pharma Marketing Pvt. Ltd.

Established in the year, 1999, at Chandigarh, India, we " DM Pharma" are one of the leading processors and exporters of a wide assortment of Pharmaceutical Products. These meet the high quality standards and hence are supplied to various Government Institutions like Defense Services, Health Departments and various Hospitals in India. In our product range we offer, Rivazol-D Tablet, Pomet-D Tablet, Otter Tablet, Oftol Tablet, Mv-Clav Tablet, Levodin Tablet, Dixim Tablet, Dipcin Tabletand Dazodin-P Tablet. Owing to high purity levels and accurate composition, we have been certified to several big institutions and voluntary organizations like MSF and PSF spread across the globe. All these factors have made us a global pharmaceutical company with capabilities in the areas of product research, manufacturing & marketing.
