Welcome to DocDoz Pharma Pvt. Ltd.

DocDoz Pharma was established on 4th January 2022 with the aim of “Affordable medicines to financially bottom-most person of society.” At DocDoz Pharma, we strive to create the best quality medicines for efficiency, shelf life, and packaging. The products are supplied through a well-flowed distribution channel across the country that ensures availability. The company is WHO GMP certified, which assures the quality of the drugs and medicines produced by us. Adding to that, we have well-trained and experienced marketing executives who represent us in the medical field.
