## Welcomet to Dr. JRK's Research and Pharmaceuticals Pvt Ltd

We are a research based organization committed to validate the science behind our products and have successfully entered our 30th year in business with growing strides. Our Managing Director and Padmashree awardee, Dr.J.R.Krishnamoorthy's quest and passion took him to Kunrathur, Chennai – then a remote village in Chengalpattu District - Tamilnadu, where amidst his medical practice, he related the ancient Research literature references to a plant *Wrightia tinctoria* and the traditional use of the same to scalp and skin disorders.
